Results for the Katoa Po Rogaine Sunday 12th March 2017-03-12

The possible score was 510 for all 27 controls. The possible score for the paddocks to the East of the Doc reserve was 270.

Not all the clipcards were left at the finish. Those clipcards that were have been checked and any late-time penalties have been applied.

Where there were no clipcards we have just taken the results as pinned on the result string. Hence the 2 result lists below.

Next year we will make sure we use the I-dent system for the Rogaine.
